

Three questions you need to ask yourself about your pension scheme:-

1. Is your Board/Management protected?
2. Are your employees protected?
3. Is your scheme designed for the Not for Profit sector?

Disability Federation of Ireland & BHP Insurances Ltd

The area of pensions is constantly evolving and to help our members understand this rapidly changing environment the Disability Federation of Ireland is pleased to announce a new, free pension advice service in conjunction with BHP Insurances Ltd.

How BHP Insurances Ltd can help your organisation.

BHP Insurances Ltd are offering a free audit of your pension arrangements to ensure that your organisation is fully compliant with all of the recent changes in pension legislation, particularly in the area of trusteeship. As well as providing a comprehensive overview of your scheme and associated costs, the audit will help ensure that your Board is compliant with all regulatory issues.

The audit will also allow you access to one of the most competitively priced products in the market to ensure that your organisation is receiving value for money.

BHP Insurances Ltd firmly believes that partnership is the best way to establish and operate a pension scheme. Our history in the Not for Profit sector shows that we always try to create awareness of pensions and educate individual members about the importance of funding for their retirement. We will always seek to develop and promote pension packages which will meet the specific needs of member organisations.

If you do not have a pension scheme in place already BHP Insurances Ltd can assist you in making sure that your organisation is at the very least complying with minimum statutory requirements.

BHP Insurances Ltd has a dedicated and professional team of expert pension advisors available to assist you with all of your pension needs.

BHP Insurances Ltd and the Not for Profit sector

BHP Insurances Ltd have been providing financial advice to the Not for Profit sector since 1998 and have vast experience in the area. We are acutely aware of the particular needs of the sector and have developed specific products to meet those needs.

We currently provide financial and Commercial arrangements for over 4,500 entities in the Not for Profit sector and have the necessary experience and expertise to assist your organisation and its members.
