

## **Design a Logo for us and win a SmartPad 10" Android Tablet!**

**What?** The Community Participation Network (CPN) is a network of organisations and local community stakeholders who have come together to support the capacity of and direct representation of people with disabilities within local community structures. We hope that 2017 is the year that Ireland finally ratifies The Convention on the Rights of Persons with Disabilities (UN CRPD). To welcome this huge opportunity, and to celebrate our work, the CPN is looking for a logo to reflect its ethos of "Community, Participation and Equality". (See [www.disability-federation.ie](http://www.disability-federation.ie) for full information on CPN).

**Why?** Win a SmartPad 10" Android Tablet (This tablet has a 10.1" touch-screen supported by a quad-core 1.5GHz CPU, running on a high-capacity, 4600mAH battery) and get to know what CPN is all about!

**Who?** Competition is open to all applicants!

**When?** All entries must be received by Friday 10 March 2017 to be considered.

**How?** Email by attachment a digital copy (in PNG, GIF and JPEG with suitable resolution for reproduction) of your original logo to [cathymcgrath@disability-federation.ie](mailto:cathymcgrath@disability-federation.ie) including your name and phone number.

**Details:** By submission to this competition you declare that the submitted material is original content free of copywrite infringement. You declare that you are the creator, sole owner and grant the CPN unlimited license to the use and duplication of the supplied logo. The winner of the competition will be provided with credit on all publications using the logo. No compensation will be given to those submissions not selected as the winner as selected by the conference local organizing committee. The competition and prize have no cash value and no refund or payment shall be made to those unable to attend the conference. The prize includes one SmartPad 10" Android Tablet.

Acceptable files types are PNG, GIF and JPEG with suitable resolution for reproduction.

Please direct any questions to [cathymcgrath@disability-federation.ie](mailto:cathymcgrath@disability-federation.ie). We look forward to seeing your submissions!
