

Community Participation Network (CPTN) Network, Share Learning, Represent.

We've changed our name! Coming together for our first meeting of 2017 we agreed a shorter name of Community Participation Network (CPN) to help present our network.

In the context of local government reform, and the development of Public Participation Networks (PPNs), The Community Participation Network (CPN) was established in 2015 to help support the capacity of and direct representation of people with disabilities within local community structures. The CPN is made up of organisations, local partnerships, family resource centres, and local community development project companies of within the Limerick, Clare, Galway, Mayo and Roscommon Regions.

CPTN member organisations:

1. Disability Federation of Ireland
2. Hospital Family Resource Centre- Step Forward Disability Group
3. Áiseanna Tacaíochta
4. Limerick City Community Development Project
5. Galway City Partnership
6. Galway Centre for Independent Living
7. National Council for the Blind
8. Muscular Dystrophy Ireland
9. Headway
10. Fionnathan Productions
11. Mayo Centre for Independent Living
12. Brothers of Charity

The Disability Federation of Ireland is a company limited by guarantee not having share capital, registered in Dublin. Registered No. 140948, CHY No 6177.
