

The 'Community Day' will take place on Wednesday 22nd February, between 10:30am and 4pm, at the small exhibition room, Limerick City and County Council, Merchants Quay, Limerick. This day aims to bring the Limerick community together to discuss issues that are important to all. Conversations on these issues will be based around each strategic planning committee:

- Economic Development, Enterprise and Planning
- Environment
- Home and Social Development
- Transport and Travel
- Community, Leisure and Emergency Services
- Joint Policing Committee
- Local Community Development Committee

The committee has been working hard to plan this event which gives members of the public to have their say on important issues. Those attending will also have the opportunity to find out more information about these issues. Pictured below are some of the organisers of the 'Community Day' from left to right: Noreen Meagher and Martha Potter (Step Forward), Elisa O'Donovan (Headway), Toni Gleeson (DFI) and Maureen Browne (Step Forward).
